German	Basic

About me

- Sociable & easy going. Timely, organised and independent. Able to work and participate in large and complex projects and manage my workload accordingly.
- Good knowledge of the Mac operating system and programs including InDesign, Photoshop, Capture One, Lightroom, Bridge and Acrobat as well as an in-depth knowledge of a range of techniques and skills related to modern and past photography practices. Solid starting ground and understanding of video and video editing.

- Good experience and love for the photo-publishing world, understanding of key players & actors in the field. Great personal interest in DIY publication and the combination of text and images.
